

# ALLERTON MAULEVERER WITH HOPPERTON PARISH MEETING

## MINUTES OF THE GENERAL MEETING HELD ON SATURDAY 1<sup>ST</sup> JULY 2017 AT THE MASONS ARMS

1. **Apologies:** C Pettingell and G Halstead
2. **Minutes of the Last Meeting:** The Clerk went through the last Minutes and updated those present with any actions taken.
3. **Water Table, Flooding and Overflowing Septic Tanks:** This was discussed and it was reported that the overflowing septic tank at the homestead had been resolved. It was decided it would be impractical to spend time and money on the drain under the road at this point. Members requested the Clerk to write to Harrogate BC regarding the planning application regarding the Old Barn and request that waste water output be made part of any planning approval. The Clerk was requested to write to Network Rail regarding the culvert at the railway line.
4. **Flaxby and Green Hammerton Developments:** These were discussed and the Clerk was tasked with writing to the appropriate authorities seeking clarification on highways and traffic management.
5. **Allerton Waste Recovery Plant and Sugar Beet Plant:** Members raised their concerns at the sheer size these developments and the extra pressure that would be put on the local highways. The Members voted that the Parish should object to any development if a formal application is made regarding the Sugar Beet Factory.
6. **Planning Application:** These were presented and discussed.
7. **Road Surface:** It was noted some repairs had been undertaken at King Street and Hopperton Street. Members requested the Clerk speak with Highways over the height of the grass verges at the A59 junction. They felt visibility was severely restricted.
8. **Any Other Business:** None noted

**Next Meeting:** To be arranged

**Clerk to the Parish – 7<sup>th</sup> July 2017**
